An average grade of "3.0" is recommended

in the following courses in order to be

competitive when applying to clinical year:

BEH260/MAT250 BIO150 BIO220

BIO222 CHM134 CHM136 CM104

MAT120 PHY112 WRT102.

\* A grade of "2.0" or better is required.

Students having an overall average of less than "2.5" at the end of their sophomore year are encouraged to seek another major other than a health-related major.

**CLINICAL YEAR: (30 Credits)**

*Beginning* \_\_\_\_\_

The fourth year of courses (30 credits) consists of a hospital practicum at one of five hospitals of the Lancaster Institute for Health Education for Nuclear Medicine Technology Training.

A cumulative grade point average of "2.5" or better is necessary in order for the College to recommend the student to the Advisory Committee of Lancaster Institute for Health Education for Nuclear Medicine Technology Training for the clinical year. The College **CANNOT** guarantee the student a position at a hospital for the clinical year.

\_\_\_\_\_

① All courses must be completed with a minimum "2.0" grade. Courses may not be taken on a pass/fail basis.

② A minimum of 12 credits of the Area Distribution Requirements must be at the 200-level or above. Courses may not be taken on a pass/fail basis. See Registrar's Office for official list of courses.

③ Six credits are to be taken in one of these two areas; if foreign language is selected, six credits must be in one language.

④ Requirements listed apply to students who matriculate into or declare this major during the 2009-2010 academic year.
