

Federal and State Criminal Clearances

According to the Pennsylvania Department of Education (PDE), anyone working with or observing children in public and private schools, IUs, and vocational-technical schools are required to provide proof of the following clearances:

1. **Pennsylvania State Criminal Record Check (Act 34)**
 2. **Federal Criminal History Record (Act 114)**
 3. **Pennsylvania Child Abuse History Clearance (Act 151)**
- No student may enter a school to conduct any “field experience” without having clear, up-to-date clearances on file at York College of PA. **“Up-to-date” means valid from the first day of the semester through the last day of the semester.**
 - Teacher Education candidates with any type of record are not permitted to progress in their program, unless and until the offense is officially resolved and a **“clean”** clearance (with no record) is produced.
 - Clearances are mandatory for PPES approval and all field experiences, including student teaching -- if students renew their clearances every year after their first field experience, they should then have their clearances in time to enter the schools for the next stage of experiences.
 - Clearances must be less than 1-year-old at the start of the experience (and for some placements, they may not be more than 1-year-old during the entire experience.) **Valid on or before the first day of the semester and on or after the last day of the semester.**
 - Clearances **MUST** be submitted to the School of Behavioral Sciences and Education. Clearances must be physically on file at YCP prior to entering the schools.
 - Students should always retain the original clearances and provide copies to York College of Pennsylvania Department of Education Office (LS134) and to any school placement.

Procedures for Securing Clearances as of February 2023 and the latest PDE procedures can be found at: <http://keepkidssafe.pa.gov/resources/clearances/index.htm>
